Engineering Design Services for Lenox Road Complete Street – Phase I

Question #1: The Key Team Lead information indicates that Key Team Leads are listed in “Exhibit I, specifically Section 7”. They appear to be listed in Section 8, can you please clarify?

Response #1: The Key Team Leads for this project are listed in Exhibit 1, specifically in Section 8.

Question #2: Traffic studies are listed in the general Scope section, but no traffic study work is listed in the breakdown of work to be completed. Is any traffic work, including studies or analysis, anticipated as a part of this project?

Response #2: There are no traffic studies or analysis anticipated for this project.

Question #3: A Public Involvement Lead is listed as one of the Key Team Leaders, but the only public involvement activity appears to be a PIOH. Can you clarify what the Public Involvement Lead would be responsible for as well as additional details regarding their role on the project?

Response #3: The Public Involvement Lead is responsible for preparing a Public Involvement Plan and coordinating with GDOT and the BCID for all public engagement activities, including but not limited to, PIOH meetings, design charrettes and online surveys.
