

# GA400 INTERCHANGE SCOPING STUDY

## About the Project

This is a study to assess the benefits of improving the existing GA400 Lenox Road interchange and the feasibility of building a new interchange at East Paces Ferry Road.

## Project Status

The Concept Report and Feasibility Study will be completed by the spring of 2020.

2017

---

Buckhead CID is successful  
in securing Atlanta Regional  
Commission funding to  
complete the study.

2019

Buckhead CID hires  
transportation  
engineering firm Stantec,  
Inc. to develop and  
complete the study.
