

Peachtree Road Complete Street Phase Three

Current as of 9/22/20

About the Project

The project will create a more pedestrian-friendly environment through upgrades to sidewalks and crossings and improve the appearance of the street through landscaping, lighting, buried utilities, granite curbs and medians. This is the third phase of the project and will run from Maple Drive to Shadowlawn Avenue.

Project Status

A general contractor has been identified through a competitive bidding process conducted by the City of Atlanta Office of Procurement. Construction is set to begin in the fall of 2020 and will last 15 months.

2016

Buckhead CID hires transportation engineering firm Kimley-Horn to complete the project's design.

2017

Buckhead CID is successful in securing federal and state funds to complete the utility relocations, right-of-way acquisition and the construction of the project. Board of directors approve additional funding needed.

2019

Buckhead CID successfully acquires all necessary right-of-way to move to construction.
