**REQUEST FOR QUALIFICATIONS**

RFQ-111021

**Engineering Design Services for Lenox Road Complete Street – Phase III**

*The CID received the following questions from finalists:*

**Question:** Are all three firms that were invited to submitted a Phase II response also invited to interview with the CID?

**Answer:** Yes. All three finalist firms will be interviewed.

**Question:** Can you provide more information about the interview format?

**Answer:** The interview will be held with the BCID selection team and consultant team at the BCID office. Each interview will be one hour, and it will be divided into two 30-minute segments:

- The first 30 minutes will consist of a presentation by the consultant team. Consultants may present in any manner they wish. AV will be provided, including PowerPoint, which the consultant may use if desired. If a consultant wishes to use AV equipment, please inform Matt Gore at BCID ahead of your interview.
- The second 30 minutes will be a question-and-answer session with the BCID team asking any follow-up questions they may have for the consultants.
- To ensure fairness, the one hour total session and 30-minute q-and-a sessions will be strictly limited to their allotted time.
