The Buckhead Community Improvement District (BCID) is working to make the commercial core of Buckhead safer to walk and to ride a bicycle or scooter to get around. We are asking people who work within our district to take this survey to help us achieve our goals for the people who work and/or live within our district. Those who complete this survey by the end of April will have a chance to win one of five \$100 gift cards.

Thank you for helping us to serve you!
